

It Rocks To Be A Story Diva

song and lyrics by Cindy Morgan

Every letter, every word,
travel to places that you've never heard,
turn the page and let it take you there.
That's my passion,
that's the hook,
you open your mind,
when you open a book.
Imagination can take you anywhere.

IT ROCKS TO BE A STORY DIVA

That's my story
and I'm sticking to it.
Not for the glory,
I'll tell you why I do it.
I do it for the love and I do it for the joy
and cause it rocks. . .
to be a Story Diva.

Ride on a boat to India,
swing on a vine in Africa,
find a dream that's hiding in your heart,
fire breathing dragon's cave,
solve a mystery and save the day,
ride a rocket all the way to the stars.

That's my story
and I'm sticking to it.
Not for the glory,
I'll tell you why I do it.
I do it for the love and I do it for the joy
and cause it rocks. . .
to be a Story Diva.
